

CAMERA SOLUTIONS – TABLE TOP CAMERA (TTC)

DESIGNED FOR THE MODERN RETAILER, THE TABLE TOP CAMERA ADDRESSES TODAY'S KEY DISPLAY CRITERIA FOR A SUCCESSFUL CONSUMER SHOPPING EXPERIENCE.

With three distinct levels of protection including camera body, removable lens and OEM battery, they all combine to provide a live display with maximum security.

Importantly, being a truly 100% universal solution the TTC can successfully charge and secure Digital Still Cameras and high end Digital SLR's the day they are released into the market, without the need for specific cables and adaptors.

KEY FEATURES:

- * One solution for all camera types.
- * 100% Power up ability of DSC's, DSLR's.
- * Secure Quick Release Mechanism allowing for easy removal and re-installation.
